SELECTMEN TOLD THAT MATTAPOISETT MAY BE DROPPED FROM REGIONAL COMM.

Mr. William Croft, member of regional Vocational High School planning committee, told Mattapoisett Selectmen June 2nd that Dr. Greenberg of Bourne had dictated a one month ultimatum to him at the planning board's last meeting. He was told that if the Vocational Planning Board had not received approval to proceed on the basis of two separate plans by that time then Mattapoisett would be eliminated and a five member union voted. For five weeks the planning board has been waiting for approval of two plans submitted to Mr. Arthur McKinnon, secretary of Emergency Finance Commission. All efforts to get some decision on the plans from Mr. McKinnon's office have failed to date.

Mr. Croft said that because of the close vote in Mattapoisett (117-YES to 62-NO) and because of the small fraction of the registered voters who did vote, the planning committee is nervous about the possibility that a representative turnout of voters could completely reverse the previous vote. Therefore, in order to protect themselves from another delay, the planning committee prepared two agreements: (1) A six town union including Mattapoisett. (2) A five town union excluding Mattapoisett. Mattapoisett would vote on (1). All other towns would vote on both (1) and (2). Mr. Croft said that he argued against this in vain and in the end he

was forced to submit to it. Two Bourne councils said that it was a legal move. However, the two plans have vanished for 5 weeks on the desk of Mr. McKinnon who must approve before anything can be done.

Mr. Croft asked the Selectmen to take measures to obtain some information from Mr. Mc Kinnon.

The Selectmen received an answer from a letter sent to Mr. J. P. Morine, Senior Supervisor of Occupational Information and Vocational guidance for Massachusetts. The Selectmen had written posing a hypothetical question to Mr. Morine. They asked, if the voters reject the Upper Cape Cod plan, would Mattapoisett have the opportunity to join the Vocational School District in the New Bedford area if such a thing would materialize. Mr. Morine answered that no formal request had been received from towns around New Bedford but that New Bedford Vocational had requested a survey this

year which had not been started. He stated, "The only difficulty I can surmise from a rejection of the present proposal by the Mattapoisett voters at this time is that there will be a delay due to the time it takes to conduct a survey to determine if a need exists and the intensity of that need for vocational education in the area west of your town. Were it to be determined that New Bedford Vocational High School should expand its offerings, there could be no need for a regional technical school surrounding it."

(If New Bedford Vocational does expand, it will re required to accept 20% of its pupils from outside the city - from the surrounding towns.)

SENATOR EDWARD F. STONE

There are some men in political life who are honored by people of all political views. Senator Stone was so dedicated to Cape Cod that all the people of this district will feel a deep loss at the news of his death at 85. He was a most thoughtful and helpful gentleman and totally dedicated to his work until his recent retirement.

Those who are familiar with the complex and time consuming detail of state government, and who knew Senator Stone, could not but marvel at the energy of the man. To the last of his term, he had a complete grasp of his arduous duties and, at the same time, he kept the most personal kind of contact with the people of his district. We wondered often where he found the time for his many letters and personal visits which were so enjoyable and helpful.

Senator Stone served us with an enthusiasm that was far more than duty. He loved the Cape. He worked for the Cape and the State into the evening of his life. To the last of his term, he worked hours that would have staggered a man half his age. The legislature was his job, his hobby and his recreation. We may consider ourselves fortunate to have had the benefit of most of the Senator's 85 years. As a human being, as a legislator and as a Cape Codder, Senator Stone was one of the great ones.

GRANGE MEETING

Mattapoisett Grange held its bi-monthly meeting Thursday night in the Grange Hall. Honored guests were Deputy Joseph Bradford, Mrs. Mary Schinder, past State Grange lecturer, and Mrs. Mildred Stockwell, master of Westfield Grange.

A memorial service was held for Joseph Perry, Huybertie Hamlin and all other departed members of the Grange by past chaplain, Mae Delano, assisted by Mrs. Jennie Toolis, Ceres; and Mrs. Ruth Shaw, secretary. Memorial poems were recited by Mrs. Ada Furtado and Earle Wilson. Vocal solos were by Norman Roylance, accompanied on the piano by Mrs. Diane Spirlet. Flowers used at the altar were white carnations.

Under new business the master appointed a committee to start looking into the business part of painting the front of the Hall in the near future.

Mrs. Ruby Barber reported on the Home and Community Service work. Each member of the Grange is being asked for a donation of 50¢ each to help with the arthritis project. She is also selling candy. Otto Kellish of the Agricultural Committee spoke on the need to spray blueberry bushes at this time for disease and blight.

The lecturer's march was won by Jennie Toolis, and the mystery package was awarded to Albert Pemberton.

Lecturer Lemuel LeBaron presented Mr. and Mrs. Alphonse Spirlet who put on a fine program of saxophone, clarinet and piano duets. A reading, "What is a Father?" was given by Mrs. Spirlet.

Refreshments of sandwiches and coffee were enjoyed by all.

The Junior Grange will present the program

SCHOLARSHIPS TO BE AWARDED

Due to the continuing, generous support given our Citizens Scholarship Foundation, the Awards Committee is pleased to announce that scholarships amounting to over $4,000 will be awarded to deserving youngsters from Marion, Mattapoisett and Rochester at this year's high school graduation ceremony. Three factors enter into the decision of whom should receive a scholarship. One is the actual scholarship of the student, a second is evidence of leadership qualities and responsible extra-curricula activity. The third and most heavily weighted factor is that of financial need. It should be clearly understood that financial need is not based solely on the wealth or social position of the applicant's parents. Rather it is a combination of financial resources available to the student plus an accurate assessment of his anticipated tuition and living costs.

REPUBLICAN TOWN COMMITTEE MEETING

Miss Esther Tsiknas of Falmouth, state committeewoman, and Robert L. Jones of Barnstable, state committeeman, were guest speakers at the June meeting of the Rochester Republican Town Committee. Greenwood Hartley, Jr., presided.

Miss Tsiknas and Mr. Jones offered many helpful suggestions for spreading Republicanism and it was stressed that an appeal should be made to young, new independent voters. Good leadership is important and party members were urged to attend district and regional meetings which feature statewide speakers.

It was announced that a Candidates' Night will be held at the Bourne Community Center on June 12 at 6:30 P.M. A buffet supper will be served and those who plan to attend should contact Greenwood Hartley, chairman, before Thursday, June 18. A good part of the meeting was given over to talking about the GOP State Convention which will be held in Boston

BAZAAR AND SMORGASBORD

Final plans for the annual bazaar and smorgasbord to be held Thursday, June 25, were discussed at a meeting of the Rochester Woman's Club. Marian Peirce, Lillian Jackson and Ruth Davoll. Mrs. Henry B. Smith is ticket chairman and reservations should be made with her or Mrs. Hartley. Deadline for reservations is Tuesday, June 23, and early calls are suggested as this is a popular supper.

Chairmen of the various tables are gifts, Betsey Peirce and Martha Gifford; mystery packages; Helen Butts and Patricia Jenney; food, Barbara Hartley and Mildred Martin; candy, Nancy Douglas; white elephant, Hazel Raymond, Grace Hartley and Carol Vaughan; and plants, grabs and punch, Katherine Church.

The Sports Committee has installed benches along the first and third base sides of the baseball field for the comfort of players and spectators alike. It is hoped that this will result in more parents taking in these games to watch their children in action. Thanks to Tony Guilherme and Joe Marcosa for their hard work on the bench project, without whose help, it would not have been possible. Two hard working and handy guys to have around on any project.

A very special vote of thanks to the School Committee and Joe Kobak and Manny Nunes and his highway crew. These men are never too busy to listen to any problem concerning the children of this town. They can be depended upon to lend a sympathetic ear to the minor problems.
